The storyboard illustrates a user interface flow. On the left, the 'Terms' screen features a blue header with a back arrow, the title 'Terms', and a '+' icon. Below the header, a list item is shown with 'Term 1' and the date range '1-2-2018 - 6-2-2018'. A blue arrow points from the '+' icon to the 'Add Term' screen on the right. The 'Add Term' screen has a blue header with a back arrow and the title 'Add Term'. The form contains three input fields: 'Term Name' (with a pink underline), 'Start Date (12-12-2012)' (with a grey underline), and 'End Date (6-12-2013)' (with a grey underline). At the bottom, there are two buttons: a green 'SAVE' button and an orange 'CANCEL' button.
